Paul Zelanski

Our juror, Paul Zelanski, is Professor Emeritus of the University of Connecticut School of Fine Art. Professor Zelanski holds many distinguished honors and awards, and is represented in collections throughout the U.S. and Europe.

"Jurying is always hard, and this show was no exception. There was so much quality artwork in evidence among the 100 entries. The works were personal, well executed, and each had elements in them of strength and purpose. To those whose art was not picked for this show, please understand that judging art is and always will remain subjective in nature. Don't give up your passion over this. I am proud to have been asked to jury this show, and am honored to have had a prize given in my name. Thank you all for this opportunity, and I wish the Granby Land Trust much success in all their efforts."

Paul Zelanski, Juror
