

Granby Land Trust Members —

You are invited to a special lunch-time talk and hike...

Join us for this event led by
Award-Winning Author and UConn Geology Professor
Robert Thorson

*There may have been 250,000 miles of stone walls in America's Northeast, stretching farther than the distance to the moon. Even though most of them are crumbling today, they contain a magnificent scientific and cultural story.
Photo by Carol Davidge.*

Professor Robert Thorson – author of *Stone by Stone: The Magnificent History in New England's Stone Walls* — will give a short talk during lunch and then lead a stonewall hike on the Land Trust's beautiful Mary Edwards Mountain Property.

Sunday, September 18, 2005

Noon – 3 PM
